

# CUI Registry

The authoritative source for guidance regarding CUI policies and practices:

- Identifies the categories and subcategories of unclassified information that require safeguarding and dissemination controls consistent with law, regulation, and Government-wide policies.
- Provides definitions for each category and subcategory; identifies the basis for safeguarding and dissemination controls; contains associated markings, and includes applicable safeguarding, dissemination, and decontrol procedures.
- The CUI Executive Agent is the approval authority for all categories and subcategories of information identified as CUI in the Registry and only those categories or subcategories listed are considered CUI.
