## Conflict & Stabilization Operations (G/CSO)

The ~~Office of the Coordinator for Reconstruction and Stabilization (S/CRS)~~ also maintains a duplicate classified version of the Web site ([www.crs.state.gov](http://www.crs.state.gov)). The classified web site is tailored for U.S. Government organizations that focus on reconstruction and stabilization issues. It is designed to provide information about the activities of the S/CRS. S/CRS leads and coordinates U.S. Government planning, and institutionalize U.S. capacity, to help stabilize and reconstruct societies in transition from conflict or civil strife so they can reach a sustainable path toward peace, democracy and a market economy. The site changes frequently depending on the activity of the office. Some editing takes place daily and at other times there is a large expansion of content when a large portion of information is developed and goes live on the site.

The program that generates the website is PortalX, which is maintained by the Department's Bureau of Information Resource Management.
