1.	<p>CHRONOLOGICAL FILES: Files of extra copies of specific types of documentation maintained primarily for ease-of-use as ready-reference sources of information. Files are usually maintained in chronological order by serialization number or date of issuance. Files are considered to be working files and as such do not have lasting value. Previous files of this records group were taken into consideration during development of this schedule, therefore, this schedule applies to all files of this records group, past, present or future. Provisions of this schedule may be applied retroactively to all current and predecessor Agency files as described herein.</p> <p>TELEGRAM FILE Chronological files consisting of copies of incoming and outgoing telegraphic correspondence. Files are normally maintained by serial number by point of origin and are kept, for the most part, as a source of easy reference. For existing files, this description and schedule shall be deemed to include those chronological files of airgrams as may be in existence.</p> <p>A. <u>AID/Washington Communications Center Master File</u> The master file of all telegraphic correspondence sent and/or received by the Agency. In addition to being</p>

a reference point for the Communications Center message analysts, this file also receives considerable use for investigations, background studies, and research. After the Communications Center, the primary users are the Office of the General Counsel and the Office of the Inspector General. To a lesser degree, the Bureau staffs also use these files. Most use and/or need for access occurs within the first seven years of the file life.

~~PROPOSED DISPOSITION:~~ Cut off at the end of the calendar year, retire to the Washington National Records Center three months after cutoff. ~~Destroy after January 1 of the beginning of the eighth year after cutoff.~~

ADM8-6ka
GRS 14/36

DESTROY WHEN 7 YEARS OLD

B. AID/Washington Offices

Files maintained in the individual offices of the Agency's Washington headquarters. Files are maintained as "easy reference" files.

~~PROPOSED DISPOSITION:~~ Cut off at the end of the calendar year, retain in active office space, ~~for not more than one additional year then destroy.~~ In all instances, do not retire. ~~Destroy when no longer needed.~~ **1 year old or sooner if no longer needed for reference.**

N.R.

C. USAID Offices - Communications & Records Office

(1) Telegrams exchanged between the AID/Washington headquarters and the overseas office. Copies of these telegrams can be located in the Communications Center Master File.

~~PROPOSED DISPOSITION:~~ Cut off at the end of the calendar year, retain in active office space, ~~for not more than one additional year then destroy.~~ In all instances do not retire to Washington storage, ~~destroy when no longer needed.~~ **Destroy when 1 year old or sooner if no longer needed for reference.**

ADM8-6ka

(2) Telegrams exchanged between overseas offices

(a) Incoming telegrams received from other overseas offices.

~~PROPOSED DISPOSITION:~~ Cut off at the end of the calendar year, retain in active office space, ~~for not more than one additional year then destroy.~~ In all instances do not retire to Washington storage, ~~destroy when no longer needed.~~ **1 year old or no longer needed for reference sooner if**

ADM8-6ka

(b) Outgoing telegrams exchanged with other overseas offices. Washington is not an addressee.

ACTION TAKEN

These are Agency master files of the same order as those maintained by the Communications Center in Washington. They serve the same purposes and are used by representatives of the same primary user offices.

~~PROPOSED DISPOSITION: Cut off at the end of the calendar year, retain in active office space for one additional year then retire to the Washington National Records Center. Hold at WNRC for six additional years. Destroy after January 1 of the beginning of the eighth year after cut off.~~

*ADM 8-6/8d
GRS 1/30*

D. All Other USAID Offices:

DESTROY WHEN 7 YEARS OLD

Incoming and outgoing telegraphic correspondence files maintained by the individual overseas offices as "easy reference" files.

~~PROPOSED DISPOSITION: Cut off at the end of the calendar year, retain in active office space, for not more than one additional year then destroy. In all instances, do not retire. Destroy when no longer needed.~~ *1 year old or sooner if no longer needed for reference.*

N.R.

2.

GENERAL CORRESPONDENCE FILE

Chronological files consisting of letters, memoranda, and other, nontelegraphic, communications media. Files are normally maintained by date of issuance and are kept, for the most part, as "easy reference" files.

A. AID/Washington Offices

NOTE: This schedule does not include those correspondence chron files maintained by or for the immediate offices of the following Agency executives: the Administrator, the Deputy Administrator, the Assistant Administrators, and the Directors of Offices that report direct to the Administrator. The correspondence chron files of those offices will be covered by the individual office schedules.

~~PROPOSED DISPOSITION: Cut off at the end of the fiscal year, retain in active office space, for not more than one additional year then destroy. In all instances, do not retire. Destroy when no longer needed.~~ *1 year old or sooner if no longer needed for reference.*

N.R.

B. USAID Offices - Communications & Records

This office normally maintains the master file of correspondence - the file that would include the exchanges with the various offices of government of the host country.
