

This schedule is in draft. It may be used to retire records, but may not be used to destroy records. If you have any questions, please contact the Records Help Desk.

EPA Records Schedule 098

Status: Draft, 05/31/2009

Title: Data Marts and Data Warehouses

Program: All Programs

Applicability: Agency-wide

Function: 305-109-02-04 - Provide Public Information, Education and Outreach

NARA Disposal Authority:

This schedule authorizes the disposition of the record copy in any media (media neutral), excluding any records already in electronic form. Records designated for permanent retention must be transferred to the National Archives in accordance with NARA standards at the time of transfer

- N1-412-09-8

Description:

Includes data marts and warehouses that are repositories of data copied or downloaded from other information systems at specific intervals. They provide easy access and facilitate analysis and reporting, regardless of the data's source. They may contain data from databases as well as geographic information allowing data to be mapped.

Disposition Instructions:
